

1) How are you able to obtain the police certificate without having power of attorney?

We obtain police certificates on regular frequent basis in Ukraine, and that is why this procedure is simplified for your convenience.

2) Are the certificates you offer, genuine?

Yes, they are.

If you want to be sure that police certificates and our services that we provide are genuine, we are ready to cooperate with you in a way of arranging several payment installments and providing you with intermediate process approval.

3) After marriage I changed my last name, is this an important issue?

Police certificate should contain **all the names if you have ever changed them.**
